CLARK COUNTY

SHORELINE MASTER PROGRAM

Clark County Community Planning
1300 Franklin, 3rd Floor
Vancouver, WA 98660

The original Shoreline Master Program was adopted by Clark County in 1974.

This revised program was adopted November 22, 2011 to comply with Shoreline Master Program Guidelines, Washington Administrative Code (WAC) 173-26

Approved by the Department of Ecology _____

Acknowledgements

Project Management Team

Battle Ground:	Robert Maul	Community Development Director
	Sam Crummett	Planner
	Dorothy Harrington	Planner
Camas:	Phil Bourquin	Community Development Director
	Sarah Fox	Planner
Clark County:	Gordy Euler	Planner
	Gary Albrecht	Planner
La Center:	Dale Miller	City Planner
Ridgefield:	Justin Clary	City Manager
Vancouver:	Marian Lahav	Planner; Project Manager
	Jon Wagner	Planner
	Matt Ransom	Long Range Planning Manager
	Laura Hudson	Community Development Director
Washougal:	Mitch Kneipp	Planning Manager
Woodland:	Carolyn Johnson	Community Development Planner
Yacolt:	Rod Orlando	Planning Consultant

Shoreline Stakeholder's Advisory Committee

David Arredondo	CE John, commercial and mixed use development
Jan Baldwin	Citizen, water quality
Dvija Michael Bertish	Columbia Riverkeepers, conservation
Mike Bomar	SW Contractors Association
Patty Boyden	Port of Vancouver, industrial development
Larry Connolly	Port of Camas-Washougal, industrial development
Bill Dygert	Dygert and Simpson, public access
Brent Erickson	Camas-Washougal Chamber of Commerce
Roland Heartl	Citizen, shoreline property owner
Sarah Kronholm	Georgia Pacific, industrial development
John McConnaughey	Environmental Technology Consultants, conservation
Mark McCuddy	McCuddy's Marina, water-dependent development
Bill Montgomery	CEMEX, industrial development and mining
David Morgan	Citizen, private forest and agriculture land owner
Randy Mueller	Port of Ridgefield, industrial development
Ike Nwankwo	Washington Department of Commerce, GMA/SMA integration
Kelly Punteney	Vancouver-Clark Parks Recreation Commission, public access
Rudy Salakory	Cowlitz Tribe, tribal interests
Gretchen Starke	Vancouver Audubon Society, conservation
Dean Swanson	Fish First, conservation and public access

Technical Advisory Committee

Barb Aberle	WSDOT, environmental manager
Jean Akers/Elizabeth Jordan	Vancouver-Clark Parks and Recreation, public access
Lelena Amiotte	DNR, aquatic lands
George Bluhm	Citizen, engineer/hydrology
John Bromley	DNR, geology and earth sciences
Brent Davis	Clark County Environmental Services, wetlands
Dick Dyrland	Citizen, hydrology
George Fornes/Dave Howe	WDFW, habitat
Bernadette Graham Hudson	Lower Columbia Fish Recovery Board, salmon recovery and watersheds
Kevin Grosz	The Resource Company, wetlands
Steve Hartsell	DNR, forest practices
Elaine Huber	Battle Ground, public works
Nick Jeremiah	NOAA Fisheries, habitat
Warren Knuth/Steve Bacon	Clark Regional Wastewater, wastewater engineering
Brad Murphy	Ecology, wetlands, shoreline permitting
Ike Nwankwo	Commerce, SMA/GMA integration
Ron Rathburn	Magda Consulting, ecologist
Rudy Salakory	Cowlitz Tribe, biologist
Howard Schaller	US Fish and Wildlife Service, Columbia River fisheries
Rod Swanson	Clark County Environmental Services, geologist
Doug Wilson	Clark County Historic Preservation Commission, archaeologist
Jeff Witler	Clark Public Utilities, stream restoration

Independent Science Review Panel

Scott Burns	Portland State University, geology
Gardner Johnston	Interfluve, Inc., watershed hydrology
Joseph Maser	Portland State University, wetlands
Mark Sytsma	Portland State University, limnology and lakes
Alan Yeakley	Portland State University, hydrology

Environmental Science Associates

Ikuno Masterson, Project Manager

Teresa Vanderburg	Julie Bayer
Reema Shakra	Ara Clark
Michael Leach	Kelly Wade
Aaron Raymond	

Washington State Department of Ecology

Kim Van Zwalenburg, Project Officer

This project was funded through a grant from the Washington State Department of Ecology, Grant No. G1000058.
