E. SECURITY

The 325 HWTUs are operated to minimize exposure of the general public and operating personnel to dangerous waste.

E.1 Security

The 325 HWTUs is located in the 300 Area. The security program for the 300 Area is described in Permit Attachment 3. The security program for the 325 HWTUs, in addition to 300 Area security, will be designed to limit building access to those personnel within the 300 Area authorized to enter the unit. Entrances to the 325 HWTU will be locked to prevent unauthorized access.

E.1.1 Waiver

Waiver of the security procedures and equipment requirements for the 325 HWTUs are not requested. Therefore, the waiver requirement outlined in [WAC 173-303-310\(1\)\(a\)](#) and (b) are not applicable.
