Subject: Contract G0400147 - Deliverables

Dear Mr. Pfeifer,

The Spokane County Board of Commissioners adopted the proposed Updated Shoreline Master Program on May 12, 2009. Enclosed are two copies of the adopted document and two copies of adoption documentation as required by Grant Contract G0400147 and WAC173-26. Also enclosed is a two volume CD set with all required documents recorded thereon. More specifically, the enclosed documents include but are not limited to the following:

The updated SMP; updated environment designation maps; Shoreline Inventory and Analysis (on CD only); Cumulative Impact Analysis; use analysis and priorities; interested parties lists; staff reports; records of hearings and local actions; completed SMP Checklist; compliance with SEPA; evidence of local adoption; evidence of public notice and opportunity for public comment; public comment received.

The following documents have previously been provided to DOE and the enclosures include a CD version of each of them as allowed pursuant to a June 22, 2009 email from Doug Pineo:

Shoreline Inventory and Assessment for Spokane County Lakes - by URS dated 2002
Spokane County Proper Functioning Condition Stream Inventory and Assessment and Appendices - by SCCD dated 2005
Characterization of Ecological Functions of Lake and Stream Shorelines - by Landau Associations dated 2005

Additionally a copy of the Updated Shoreline Master Program was emailed to Mr. Pineo on June 15, 2009. Should your agency require further information or documentation please do not hesitate to contact me.

Sincerely,

John Pederson
Interim Planning Director
