Land Use Categories

Residential
Mobile Home
Commercial
Mixed Use
Industrial
Institutional
Public Facility
Recreation and Open Space
Agriculture
Forestry
Parking
Transportation
Undetermined
Vacant

Land Use categories derived from PT1 codes and PT1 Description fields provided by the Assessor's Office (2009). Parcels identified as vacant generally indicate that no structural improvements have been made or assessed for taxes on the property. "Vacant" parcels may not always accurately reflect current conditions (such as properties developed for vehicle parking or material storage or properties that are protected open space)."
